

A PRESENTATION AND EVENING OF DISCUSSION WITH

**Dr. David Himmelstein**

**The Case for a  
Publicly-funded  
Medicare-For-All  
Health Care System  
in the U.S.**

David Himmelstein is an associate professor of medicine at Harvard Medical School and co-founder of Physicians for a National Health Program. He serves as the chief of the division of social and community medicine at Cambridge Hospital where he practices primary care internal medicine.

Dr. Himmelstein is a leader in the movement for single-payer health care. He has provided testimony before Congress and has appeared as a guest on the PBS McNeill/Lehrer News Hour. His research has been published internationally and in the U.S. by prestigious medical journals such as the New England Journal of Medicine and the Journal of the American Medical Association.
